

COOL SCOOP
HAND-CRAFTED
ICE TREATS

Here's a store that allows you to try out your own combination of ice creams. Cold Stone Creamery, one of America's biggest ice cream retailers, recently opened its first outlet at Dubai Festival City. The secret recipe for their smooth and creamy dessert is fresh, hand-crafted ice cream made daily in each store. It is then customised by adding a variety of mix-ins on a frozen granite stone with endless combinations.
